SPONSORSHIP DONATION FORM ARTS EDUCATION

Edward Hopper House engages nearly 500 local students in grades K-12 in interdisciplinary, multi-media fine arts projects focused on the recurrent themes, distinctive aesthetics, and defining aspects of Edward Hopper's work. The program has been a great success. "What an exciting opportunity to work with Edward Hopper House and learn more about the painter in this creative, curriculum based partnership," said Martha Ryan, principal of Strawtown Elementary School, Nyack, NY.
